about marko

Based in Munich, Marko is a freelance broadcast designer and is working as an art-director across Germany's leading design studios and agencies.

He created award-winning projects for clients such as adidas, Audi, BMW, Comedy Central, Philip Morris, Polsat, Pro7, RedBull TV, Schweizer Fernsehen, TV3, TVN, TVN warszawa, VIASAT, etc.

Over the years, Marko developed an impressive body of work while focusing upon concepts, designs and animations for channel brandings, broadcast designs and tv-commercials.

Marko is now looking for new opportunities down under. If you are interested, go to markopfann.de or drop me a line at contact@markopfann.de
